7th grade: Students will continue to solve probability problems. Test on Chapter 11 Friday, 4/20.

8th grade: Students will continue to solve and graph linear equations and inequalities. Test on Chapter 12 Friday, 4/20.

Algebra: Students will continue to solve and graph quadratic functions and begin working with radicals.

Test on Chapter 9 Wednesday, 4/18.

**\*\*7<sup>th</sup> Grade will take an Algebra Placement Test on May 10\*\***  
**\*\*(tentative date)\*\***

## Religion

6-8th grade classes will have a chapter quiz on Tuesday. Service Logs will be due on April 27th.

Next week is a very busy week for Religion. On Monday, Tuesday, and Thursday we will be having guest speakers. Theresa and Clint will be speaking on the Theology of the Body.

On Wednesday, We will be having a Mass Rally in the church. Our hope is to spark an energetic love for the Mass.

There is a schedule for the Rally:

8:45-9:15- 1-3rd grades

9:30-10:00- 4th-8th grades

Don't Forget Service logs are due on April 27<sup>th</sup>.

## Social Studies

Please follow Renweb for assignments this week. Due to the Guest speakers, our Social Studies Assignments may change.

## Science

6th Grade- Space: Stars and Constellations

7th Grade- Body Systems- Overview

8th Grade- Energy- Potential and Kinetic

## Language Arts

Students are enjoying our spring novels. Tentative schedules are posted on Mrs. Donaldson's board for novel tests in March/April. We will cover three units of vocabulary workshop and two units of grammar in the fourth nine weeks. We will all have tests this week on the chapters of the novel students covered during testing week.

\*Note to 6<sup>th</sup> grade parents: be prepared for some emotion surrounding chapter 19 of Red Fern. We read it together and there are always a few tears. It is a memorable experience for us to share as a class. No spoilers, please!

## Accelerated Reader

The AR deadline for the nine weeks is May 15 for 8<sup>th</sup> grade and May 22 for 6<sup>th</sup> and 7<sup>th</sup> grades. Goals are generally one point higher than they were last nine weeks. Students should be reading an independent book in tandem to their class novel. Two AR products are due at the start of each week.
