**Information:** St. Mary students in 2nd through 8th grades and parents can participate in the Crochet Crew Ministry. As a parent your child does not have to be in the crochet crew to participate. Students do not need to know how to loom knit to be able to join. We will teach them! All students will have a 4-week trial period to determine if they are serious about looming. Students will loom knit baby hats (beanies). These hats are donated to our church for gifts to babies at Baptism and to our local hospitals.

**Field Trip Opportunity:** The students may take a field trips to a hospital to deliver the projects. More information will be sent home about this later.

**For whom this may concern:** This ministry is an opportunity to earn service time. Students will receive time for attending the meetings as long as they are working on a project. They will earn service time for completed projects, also.

**Equipment:** All students will need to bring their own loom kit every session. Yarn will be provided. We have plenty of colors to choose from! If you are new to the ministry you may purchase your equipment through the crochet crew leaders.

- **Loom Kits:** The small knitting looms are \$7. They are used to make baby hats.
- **Crochet hooks:** Adults only. The hook is \$4 and will be a size H/5mm. You can make any size hat with these.

Please complete the permission form on the second page return it to the school by: Tuesday, September 11th along with the cost for equipment (if necessary).
