

September 25, 2018

Dear Middle School Parents,

The end of the first nine weeks is approaching, so we wanted to give you information on how the exams work. On the exam schedule that follows, the tests that are on October 4 and 5 will be given during the regular class time for religion and Spanish. The exams that happen the week of October 9-12 will be given from 8:15-10:15 each morning, and our schedule is adjusted for the rest of the day.

Thursday, October 4 Spanish  
Friday, October 5 Religion  
Tuesday, October 9 Science  
Wednesday, October 10 ELA  
Thursday, October 11 Social Studies  
Friday, October 12 Math

Some other things to remember about nine weeks exams are that they count for two test grades and that there is no opportunity for corrections. Teachers will review for the exams and the students will know what to expect when the time comes.

As always, if you have any questions, please email the teachers.

Sincerely,  
Your Junior High Team
