Parent Help- Family support is essential for a successful athletic program it is because of family support that we can achieve our school mission. Some of the main areas that a coach may need help with, include scoreboard operator, stat keeper, fundraising, concession stands and end of season celebrations. ***We ask that all parents and athletes help with the clean up at the end of each sporting event.***

I grant permission for my son/daughter to participate in the athletic program for the 2024-2025 school year. I understand that my son/daughter CANNOT participate until all these forms have been received.
